OENOLOGICAL CHARACTERISTICS

100% vintage 2013
Dosage : 9,9 g/l
Aging time in cellars: more than 5 years
Bottle rest time after disgorging: 6 months

EYE
Cuvée Grenat 2013 has beautiful green and silver highlights. The regular stream of bubbles is quite soothing. The overall character of this blend evokes freshness and elegance.

NOSE
The nose opens up with fine delicacy and expresses notes of granny apple, almond, grapefruit peels and autumn foliage. Spring comes to the fore with nuances of vetiver, flowering broom and honey. It has a subtle bouquet, quite complex yet youthful.

PALATE
The attack is quite rich yet soothing. After a comforting start, the acidity and effervescence bring freshness and rythm to the wine. The body and dosage generate a voluminous sensation, making for a beautifully consistent ensemble. Well balanced, it has a pure silky texture. Flavours on the palate are those of linden, ripe pear along with ocean breeze and limestone notes, making for a very elegant champagne.

A rich and long finale with iodine and smoky notes. It leaves a light saline sensation on the palate punctuated by fine acidity.

PAIRING SUGGESTIONS
Cuvée Grenat 2013 is to be served in a well-rounded glass at circa 10°C (50F) to appreciate its richness and complexity. This Champagne will perfectly complement rich textured sea-based dishes. It will sublime all types of seafood from pan seared scallops, tuna, gambas, langoustines… as well as goat cheeses or fine aged Italian cheeses as parmesan or pecorino.

A word from the Cellar Master
« Cuvée Grenat 2013, is emblematic of the harmony that its vintage represents. Its fruity and zestful nuances incarnate the outcome of a vintage that gets to reveal its true quality. »
Jean-Christophe Lenfant

Cuvée available in bottle and magnum.
